Oludotun Longe, Full-Stack Javascript Software Engineer

Hello

My name is Oludotun Longe, nickname's Dean.

I'm a Full-Stack JavaScript Software Engineer from Lagos, Nigeria passionate about Great Design, Solving Problems with Software Engineering and Entrepreneurship.

I have over four years worth of professional experience having worked for two startups, two web development agencies and as a freelancer.

As an active Freelancer - I design, write, build, run, manage and sometimes rescue Web Applications, Mobile Apps and Websites.

Currently I own two online ventures.
